1. PURPOSE/INTRODUCTION

To outline the procedures to be followed and forms to be used to make changes to additional compensation actions. All references to completing, revising, and uploading either a COS Summer Salary Additional Compensation Form or a COS 9-Month or 12-Month Additional Compensation Request Form must be done in compliance with the most current versions of COS SOP BO.01 or COS SOP BO.06, respectively. The initiator must first determine which scenario applies to the change by referring to the Additional Compensation Action Change Timeline. Once the appropriate scenario has been identified, the initiator follows the directions below for that scenario. All signatures are to be obtained via an electronic signature process such as DocuSign.
