COLLEGE OF SCIENCES
STATS AND STRENGTHS

Departments
- Biological Sciences
- Chemistry
- Marine, Earth and Atmospheric Sciences
- Mathematics
- Physics
- Statistics

Students
- More than 3,700 students
- 16 bachelor’s, 23 master’s, 14 doctoral degree programs
- Producer of a significant portion of the nation’s African-American math and physics PhDs over the last decade

Research
- More than 400 active research projects
- $50 million in research expenditures annually
- More than 850 graduate students
- Fifth nationally in total R&D expenditures in the mathematical and statistical sciences
- Third nationally among land-grant universities in National Research Council ranking of research doctorate programs in genetics

Alumni
- 23,000 total living alumni
- 14,300 alumni living in North Carolina

Faculty and Staff
- 620 faculty, staff and postdoctoral researchers
- 29 winners of highly competitive Faculty Early Career Awards since 2004
- Two National Academy of Sciences members
- 11 elected fellows of the American Association for the Advancement of Science

Financials and Private Support
- Total annual budget: $115 million
- Total endowment: $30 million

Partnerships
- Center for Marine Sciences and Technology (Morehead City, NC)
- Cooperative Institute for Climate and Satellites — North Carolina (Asheville, NC)
- North Carolina Museum of Natural Sciences (Raleigh)
- Southeast Climate Science Center (Raleigh)
- State Climate Office (Raleigh)

Outreach
- The Science House education and outreach program, with offices across the state, serves 8,000 teachers and 57,000 students annually
- State of the Sciences, serving hundreds of scientists and science fans, is NC State’s premier science education outreach initiative
